

Superior Garden Center stands behind their products which is why all trees and shrubs purchased at Superior Garden Center come with a one year warranty from the date of purchase or planting.

Replacements will be honored under this one time warranty. The customer must have either their original receipt or have purchased the material under their Superior Garden Center account. At the first sign of trouble, please call or email so we can do all we can to save the tree or shrub. If, unfortunately, your plant dies, send a picture or bring the plant in, then we will gladly replace it. Occasionally we do not have the exact same plant variety, size, etc. in stock that was originally purchased; in these instances a gift card will be issued for the purchase price of the original tree. There will be no cash back on a potential replacement.

There is no warranty on the replacement product. There is no warranty on the following materials: tea roses, crapemyrtles, grasses, annuals, perennials, ground covers, tropicals, water plants, sale items, or items purchased on auction. No warranty on items with obvious neglect or if due to act of God.
