

Approximate Weights of Balled & Burlapped Trees

We encourage our customers to be safe if you are planting your own tree, otherwise give Superior Garden Center a call and we would be happy to plant it for you. Planting cost includes adding topsoil if necessary, proper planting, mulching, and staking if necessary, as well as a one year warranty.

Deciduous Caliper	Evergreen Height	Ball Size*	Ball Weight**
1 ¼"	3'	18"	175#
1 ½"	4'	20"	275#
1 ¾"	-	22"	300#
2"	5'	24"	325#
2 ½"	6'	28"	560#
3"	7-8'	30"	720#
3 ½"	9'	34-36"	1000#
4"	10'	38-40"	1200#

*Based on American Nursery Standards. **Weight will vary due to soil and moisture content.
